Seniory Aconours.—About 44 o'clock yester day afterneen, the North end of the stere our action of the public creeting on South Water, street, full is with a tremendous crash. The wills were built up four stories, and the eater of the disaster to attributed to the weakness of the irres position of the account floor, supporting the brink partition. Mr. James Malcolm, was newerally breaked at the case of the disaster to the account floor, supporting the brink partition. Mr. James Malcolm, was newerally breaked at the case of the disaster to the account floor, supporting the brink partition of the head to the tree of the store. The apportunisation of the laborers; and one man is reported to have a leg broken. It was supposted fast evening that a brick-layer named Miller, a Swed, was buried in the truins but has signs of of him had been disasvered at our last adviced. It was mirecia that no person was trilled, as the whole frame gave away without the least warning, and a large gang of men were at work.

LOCAL MATTERS.

Alexander Stellberg, aims 'The Count' for stealing a music box, of a value less than 25, from the music store of B. K. Mood.) Verdier rendered of guilty, but sentence has not yet been passed.

Daniel Leonard, for sommitting a rape on the person of an innecent looking girl not 16 years of age. Verdiet guilty, and the jury sentenced him to the Penitentiary for dt years! This man was she of the orew of the canal bust (Queen, and the young girl was employed set the sook. He has a wife living in one of the towns on the line of the Canal. What made the mass still more aggravated was that Leonard had the girl conveyed in a cab to one of the towns on the sand, and it was from information changed there, that the fellow was arrested. A motion was made by the prisoner's counsel for a saw trial.

The case of Sawrel Boyington, proposition of the conditions of the conditions where the fellow was arrested. A motion was made by the prisoner's counsel for a saw trial.

The case of Sawrel Boyington, proposition of the conditions of the conditions was made by the prisoner's counsel for a saw trial.

PRIME COUNT.

Before Judge Rucken. The first case yesterday morning was that of John Sanat and John McManagen, who were brought up on a charge of fighting about 11 conditions of the formation of the country of the

John i.ed not been in the city over three born when he became drunk, (or poissond, as he mean correctly termed it.) and sought ladgings on the aideralk. The sacond John, in pessing along with two or three glasses of bready on board, simbled over the filet, and in his effects to uples him from his low position, Senous struck him, and the blow was returned, and a org raised for the Watch. The result of the affair was, that the Court discharged the second John, and Unad the first 48. The latter and the result of the first three hours he aver speat in Chicago was

the first 48. The letter said the result of the first three house he ever speat in Chicago was being heaten, then confined then fland and he thought it was a d.—d hard place?

John Dorothy, was found drunk on the devia—an occapation he has followed for three nights in succession. Fined \$2, and sant to the Bridger and the devia walk at midnight, drunk. Fined \$2.

Wen. Hughen, was pinked up from the sides walk at midnight, drunk. Fined \$2.

Wen. Hughen, was found as 2 a discal in the care of a yard on Sinte street. Fined \$2.

Lakener.—Complaint was made yealershall he had been been as the following and the first of the control of

con Bandolph atreat; also, a silver maich, and a gold key and slide from a briak bease of Carine street, during the unse ovening. The Palisa are in easest of the offender.
